

CUSTOM ENGRAVED PLASTIC LAMINATE TIE-ON CABLE/HOSE MARKERS

**PRODUCT
CMP**

Northern Signs Engravers range of laser engraved laminate tie on cable markers are designed to be the convenient, bespoke solution for fast, permanent and cost affective marking of cables, hoses and small pipes. Generous precision cut slots ensure quick and easy location of suitable cable ties for product fastening. Clear legible marking of the acrylic based laminate ensures product clarity in a variety of testing applications - suitable for both indoor and outdoor use.

DESCRIPTION

Custom laser engraved to your requirements – any numbers, text, graphics, bar / QR codes and data matrix.

Available in a variety of sizes and nine different colour combinations.

Standard customer data should be supplied in Excel spreadsheet format.

APPLICATION

Suitable for both indoor and outdoor applications.

SPECIFICATION

Flexible material is a U-V resistant acrylic based laminate. Temp Range -30 to 86 deg C.
